

## CORRECTIONS

Calin Marinescu writes to say that there was an error in his article entitled Postal Rates in Romania between January 13, 1868 - June 18, 1892 as published in RPHB 1993;4(1):35. The table should be headed BANI and under newspaper where 15 is mentioned 5 times it should read 1.5.

Calin also writes to say that in his article on "Romanian Postal Rates for Mail to the USA 1869 - 1948." RPHB 1991;2(3):6, Table 2, there are mistakes in the July 1, 1876 column. The corrected version is given here.
